

WELCOME TO

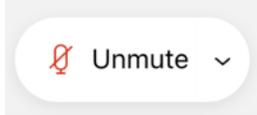

HPCC January 2021

- Welcome to HPCC January 2021 mini-Virtual Conference hosted by the Handheld and Portable Computer Club
- Greetings to HPCC members and guests from HHC and Allschwil
- HPCC is now in its 39th year and still publishes Datafile magazine covering not just HP, but SwissMicros and more
- Due to Covid-19 meetings are now twice monthly by Webex on the second and fourth Saturdays of the month
- Post Covid-19 we will meet in London on the second Saturday and continue online meetings on the fourth Saturday
- Join the club at <http://hpcc.org/membership/>

HPCC January 2021 Etiquette

- To avoid accidental disturbances, please stay muted except during breaks and Q&A - like this  An image of a Webex 'Unmute' button. It is a rounded rectangle with a red microphone icon and the text 'Unmute' followed by a small downward arrow.
- You can text chat within Webex to individual participants or the whole conference
- In the top right of Webex there is a Grid View icon, click on that and you can select different views. You will need to use one of the other views to see the presentations in full screen  An image of the Webex view control bar. It contains four icons: a gallery view icon, a gallery view icon, a blue grid view icon (which is highlighted), and a gallery view icon.
- The conference is being live streamed (unedited) on YouTube and recorded for publication on YouTube
